**Wellness Center Offers Appointments**

Did you grow up thinking the only time you needed to see a health care provider was when you were sick or injured? Did you ever wonder how your physical performance compared to other people your age? Did you ever want to sit down in a relaxed environment with a health care provider, go over test results and family history and discuss what you need to do to reduce your risk factors for disease and illness? Are you interested in becoming an active partner in the pursuit of your wellness?

If you answered yes to any of these questions the Stuttgart Wellness Center has developed a program just for you. The Wellness Center now offers wellness appointments to all eligible health care beneficiaries. For info call 430-7322/civ. 0711-680-7322.

**ICE Program Requires Customer Input**

Did you know when using the Interactive Customer Evaluation system many comment cards provide customers the ability to rate individual service providers?

ICE was developed by the 6th ASG and HQ EUCOM as part of a cooperative project with the Office of the Secretary of Defense and will be used by military installations around the world.

To access the ICE system and voice any comments and concerns about community facilities and services, go to the 6th Area Support

Group Web site at [www.stuttgart.army.mil](http://www.stuttgart.army.mil) and click on the ICE logo.
